Civic and social organizations desiring to hold aerial fireworks displays during the period of June thirtieth (30th) to July fourth (4th), inclusive, shall first contact the City Fire Department to request a permit. Upon approval, the City Fire Department shall issue the permit to said organization. In case of a rain out, said organization must inform the City Fire Department of the makeup date. Civil and social organizations desiring to hold aerial fireworks displays on dates other than June thirtieth (30th) to July fourth (4th), inclusive, shall make application to the City Council at least fourteen (14) days prior to the date any such display is desired to be scheduled. Such application shall set forth the date and times during which such display is desired to be scheduled, the specific reasons as to why the display is to be held, and such other information as the Council may require, including the names and addresses of all persons responsible for conducting such display. If the City Council, in its discretion, is of the opinion such display would constitute a legitimate community event, it may issue a special permit authorizing the requested display. If any such display is authorized by special permit, nothing herein shall be construed as requiring the City Council to authorize a special permit to the same organization for displays desired to be scheduled in successive years. If a request for a special use permit is made less than fourteen (14) days before the event, the applicant shall be required to post a cash bond in an amount sufficient to cover any cost incurred by the City as a result of the shortened time period. Such cost shall include, but is not limited to, overtime cost, cost of cleanup, police and fire services, etc., and those costs shall be deducted from the cash bond and the balance, if any, returned to the applicant.
- C. Organizations holding a fireworks display must provide adequate off-street parking for the occasion and provide reasonable care to protect against health and fire hazard during the occasion.
- D. Fireworks used by individuals within the City of Republic will be permissible only on July fourth (4th) and only between the hours of 10:00 A.M. through 12:00 Midnight.
- E. If the user of the fireworks has a complaint submitted against his/her use of such fireworks, then the user shall be so notified by the Republic Police Department to cease and desist his/her use of said fireworks. If the user continues to use the fireworks after said notice from the Republic Police Department, then he/she shall be in violation of this Code and be cited for a nuisance and shall be brought before the Municipal Court with a penalty available as outlined in Section 100.220.
