

Facility Use Policy

In order to preserve the positive experience of all patrons visiting Republic Parks & Recreation facilities, the following changes will go into effect on September 5, 2017.

Adults

- Individuals age 18 and over who do not abide by the Republic Parks & Recreation facility rules will be subject to the Disciplinary Procedures outlined on the following page.

Youth

Ages 11-17

- Individuals age 11-17 are permitted at Republic Parks & Recreation facilities without a parent/guardian present. Individuals are required to follow all rules and regulations set forth by the Republic Parks & Recreation Department, and must obey the staff on duty at all times. Failure to do so will result in the disciplinary procedures outlined on the following page.

Ages 10 and Under

- Any child age 10 and under must be under direct supervision of an adult (age 18 or over) while in the facility. Direct supervision in this context is defined as within eyesight of each other.
 - If a child age 10 and under is found to be in the facility without an adult, the child's parent/guardian will be contacted and asked to pick up the child.
 - If the parent/guardian gives consent for the child to walk or ride their bicycle home from the facility, a Republic Parks & Recreation staff member will record the information on the Facility Use Incident Log.
 - If the parent/guardian cannot be reached, or no arrangements have been made within two hours of the parent/guardian being notified, the Republic Police Department will be contacted.
