

HOW DOES THE REPUBLIC POLICE DEPARTMENT STAFFING LEVEL COMPARE TO NATIONAL STANDARDS AND AREA DEPARTMENTS?

The IACP (International Association of Chiefs of Police) recommends two (2) police officers for every 1,000 residents.

	POPULATION & SQUARE MILES	# OFFICERS	OFFICERS PER 1,000 RESIDENTS <small>*IACP Recommends 2 Per 1,000</small>
	18,000 24.57 SQUARE MILES	24	1.3
	19,400 11.58 SQUARE MILES	37	1.9
	22,500 9.1 SQUARE MILES	42	1.9

Per national standards, the Republic Police Department should have 36 officers. The department is **12** officers short based upon our current population.
