

EXTRA PROTECTION FOR HEALTHCARE COSTS

TRANSCONNECT[®]
SUPPLEMENTAL MEDICAL EXPENSE INSURANCE

**NOW WITH MORE
FLEXIBILITY**

TRANSAMERICA[®]

TransConnect[®] can help protect your employees from high out-of-pocket healthcare costs, but that's not the only way you can leverage this tool. This type of supplemental insurance complements your group health insurance plan and has the flexibility to help meet your company's unique goals and challenges.

***TransConnect*[®], underwritten by Transamerica Life Insurance Company.**

When you run a business, you have to be ready for change. Customer needs, market demand, and changes with your vendors or suppliers can cause you to make a pivot you weren't expecting. The same is true with healthcare and your employee health plan. Changes in your major medical insurance benefit may create new or increased coverage gaps — potentially leaving employees with significant medical bills. *TransConnect* supplemental medical expense insurance helps employees cover out-of-pocket expenses such as deductibles, co-insurance, and co-pays, so they don't have to dip into savings or increase credit card debt.

MEET MCKENZIE

McKenzie was enjoying the summer in her new sandals and didn't pay much attention to a cut on her foot. A few days later, she developed an infection that led to three days in the hospital. Thankfully, she signed up for *TransConnect*, which helped pay for out-of-pocket expenses so she could avoid dipping into savings.

IMPORTANT POLICY PROVISIONS

You select the benefit amounts for employees, paid only for deductibles, co-insurance, and co-pays incurred when your major medical plan pays for specified treatments and care.

HOW TO SUBMIT A CLAIM

Employees receive an ID card after enrollment. This should be presented at the time of service so providers are paid directly after the employee's major medical carrier determines what is owed. If this is not done at time of service, employees can submit a *TransConnect*® claim form, UB92 or HCFA (the itemized service provider's bill), and the Explanation of Benefits (EOB) from the major medical carrier showing what is owed after what they paid.
